

The Shangri-La II Speedway Rules are designed to provide for the orderly conduct of Motor Racing and/or Motorsports events and to reduce the always-present risk of injury to both participants and spectators during such events.

A Shangri-La II Speedway racing event is a competitive sports event, which is intended to be conducted and officiated in accordance with the Shangri-La II Speedway Rules. Any affected member should address any complaint he or she might have regarding officiating to the Shangri-La II Speedway Race Director.

It is ultimately the obligation of each participant to insure that their conduct and equipment complies with all applicable Shangri-La II Speedway Rules, as they may be amended from time to time. No express or implied warranty of safety shall result from publication of, or compliance with, these rules. They are intended as a guide for the conduct of automobile racing and are in no way a guarantee against injury or death to participants, spectators, or others.

The Shangri-La II Speedway Race Director shall be empowered to permit minor deviation from any of the specifications herein or impose any further restrictions that in his opinion do not alter the minimum acceptable requirements. No express or implied warranty of safety shall result from such alteration of specifications. Any interpretation or deviation of these rules is left to the discretion of the officials. Their decision is final.
